Om is earth (the physical world), Om is astral (desire/breath, the world of becoming), Om is mental (the world of thinking), Om is causal (silent mind, the world of emotion), Om is the world of creative generation, Om is the world of intuition, Om is the world of Absolute Truth

We meditate upon the Divine Light of that adorable Sun of spiritual Consciousness. May it stimulate our power of spiritual perception.

Om is the Waters, Light, Essence, the Immortal, Reality; the physical, intermediate and heaven worlds is Om
